

To The Town of Pacolet and surrounding communities,

I would like to update you on the sale of the 2022 Ford F-150 Police responder Super Crew Truck that the Town of Pacolet placed on surplus in February 2023. The town's intention was to sell it to the highest bidder, and the reserve price was set at \$53,357.36.

Unfortunately, the town did not receive any bids by the deadline of 03/03/2023. However, the town has since received an offer from the Pacolet Fire District and was in negotiations with them. During this time, the town received a second offer from a fire department in Spartanburg County.

At the April council meeting, the town council was presented with the information on the second offer. The council realized there was a flaw in the process due to the lack of an end date for offers. This was an oversight on our part, and we apologize for any confusion or inconvenience this may have caused.

Therefore, as of 04/28/202 at 4:00 pm, the Town of Pacolet will no longer be accepting offers for the 2022 Ford F-150 Police Responder Super Crew Truck. The council will review all offers at the next council meeting and make a decision on the sale of the vehicle. We appreciate your understanding and patience as we work to resolve this matter. Please do not hesitate to contact us if you have any questions or concerns.

Sincerely,

Ned Camby

Mayor
